FEEDBACK COMMITTEE REPORT 2015-16

For the academic year 2015-16 the feedback forms were collected from students of B.A., B.Com., and B.Sc. regarding teaching, learning, office, library and other services provided in the college. Total 253 forms were collected and analyzed by the committee and feedback from students conveyed to the respective member from teaching as well as office staff for improvement.

Some students remarked the feedback that they require more practice in practical subjects e.g. Accountancy, Economics, Mathematics, Statistics, Physics, Chemistry etc.

By considering this fact and discussion in IQAC it was decided that the extra lectures should be conducted for these students.

Some students quoted their opinion about the official work i.e. the waiting period in the office.

By considering this fact this issue was discussed in the IQAC meeting and came into conclusion that due to retirement of some office staff there is a shortage of staff in the office and it is adversely affect the work performance .therefore, it is decided to discuss this issue with management regarding recruitment of office staff.

Some students gave feedback regarding the library i.e. the new books and magazines. By considering this point in IQAC meeting it was decided to fulfill the demand of the students.

So as per the feedback of the students the necessary actions were taken to fulfill the demands.
