Criterion - I CURRICULAR ASPECTS

Key Indicator 1.1 Curricular Planning and Implementation

1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process.

Sahakarbhushan S. K. Patil College, Kurundwad having the permanent affiliation of Shivaji University Kolhapur. As per the statutory requirement, affiliated colleges should follow the curricula prescribed by the University. To ensure effective curriculum delivery; college makes efforts every academic year.

At the begging of the academic year, Internal Quality Assurance Cell (IQAC) of college chalks out well planned and documented process by keeping in mind student -centric approach for effective curriculum delivery.

All the Heads of the departments are strictly instructed to submit the details regarding the distribution of their workload. Time table committee prepares the consolidated time table after the discussion on the clashes of the periods with respective Heads of the Departments. While doing this work college authority and all the faculty members gave importance to the subjects i.e. the mathematical subjects like Accountancy given first preference in the time table as these subjects can be learned by fresh mind. Final time table is set after the approval by the Principal and HODS'. To resolve any issues meetings are conducted and review on the execution of effective curriculum is taken at regular intervals. All the faculty members prepare teaching plan of their respective subjects and execute the same scrupulously, ensuring the effective delivery on time. As per the requirement, faculty members make use of ICT for effective curriculum delivery. The seminars, project reports, oral and workshops are also organized in the college to make students familiar with recent developments and advancements. To take review on the progress and performance of the teachers and the students' meetings are conducted to make suggestions on any issues raised in concerned with curriculum and teaching. They also discuss on the application of new technological devices for effective delivery of syllabus and to make teaching -learning student-centric. IQAC of our college always supportive role to ensure effective curriculum by recommending the new avenues and

trends occurred in the realm of Higher Education for purpose of quality education through delivery of effective curriculum. IQAC monitors teaching -learning through the assessment of feedback forms from the students. As part of inclusive management system all the stakeholders get involved in the process of decision making to resolve the issues in concern with curriculum. Academic and administrative audits are conducted periodically with external peers. Along with curriculum, plans for supportive extracurricular activities are chalked out to make the students well acquainted with changes taken place across the world.
