D.O.No.2-10/2021 (CPP-II)

Sub: Uploading of full text Ph.D. theses in Shodhganga, a repository of full text theses and dissertations

Respected Madam/Sir,

Ranking of Higher Education Institutions is done annually by National Board of Accreditation (NBA) using National Institutional Ranking Framework (NIRF). Number of Ph.D. students graduated is one of the sub-parameters used for ranking of HEIs under "Graduation Outcomes" of the NIRF.

Shodhganga is a repository of full text theses and dissertations. Uploading the full text Ph.D. theses of students by institutions on Shodhganga will facilitate deriving authentic data on number of Ph.D. students graduated. It will also help in making a formidable resource of research conducted in India. The online availability of electronic theses through centrally maintained digital repositories will not only ensure easy access and archiving on Indian doctoral theses but would also help in raising the quality of research. It may also be noted that the UGC has already mandated submission of Ph.D. theses on Shodhganga through UGC (Minimum Standards and Procedure for Award of M.Phil/Ph.D. Degree) Regulations, 2016

All the Higher Educational Institutions and its affiliated Colleges/Institutions are requested to take necessary action to get the full text Ph.D. theses of the student uploaded in Shodhganga. The data on number of Ph.D. students graduated in 2019, 2020 and 2021 will be taken from Shodhganga repository for India Ranking 2023 by NBA.

With kind regards,

Yours sincerely,
