Presentation of Best Practices

Best Practice No. 1

Sr. No.	Title	Description
1.	Title of the Practice	Celebration of Gandhi Saptah in the college.
2.	Objectives of the Practice	1) To mark the birth anniversary of Mahatma Gandhi. 2) To honour and pay tribute to the Father of the Nation. 3) To secure a culture of peace, tolerance, understanding and non-violence among students. 4) To recall Gandhi's important contributions to India's liberation struggle and Independence movement. 5) To inculcate Mahatma Gandhi's values and ethics in students.
3.	The Context	Mohandas Karamchand Gandhi was India's one of the major freedom fighters. He took part in freedom movement and changed the whole scenario of it. Its important to recall his works, his ideology and his ethics towards the people and towards the nation. To achieve this idea, our college decided to celebrate Gandhi Saptah in our institute. Its our honest attempt to expose our students to his views and ideas and his contribution.
4.	The Practice	Gandhi Week is celebrated in our college every year to mark the birth anniversary of Mahatma Gandhiji. Various activities are conducted in the college during these seven days. In the year 2021-22 also, the college organized various programs on the occasion of Gandhi Week. In this, Village Swachhta Campaign was undertaken mainly keeping in view the Swachh Bharat Abhiyan of the Government of India. College students and NSS and NCC units jointly carried out village cleanliness campaign. After this, a blood donation camp was organized in the college keeping in mind that blood donation is the best donation. Many students participated spontaneously in this. A lecture by Shri Umesh Suryavanshi was organized on the occasion of Gandhi Week in the college. He enlightened the students on the topic "Gandhi and Today's Youth". Apart from this, Essay and Oratorical competitions were organized in the college during Gandhi Week. Successful students were felicitated on the concluding day of Gandhi Week. Through this program every year sincere efforts are

		made by the college to inculcate the life history of Mahatma Gandhi, his sacrifices, work, his conduct and thoughts in the minds of the students. It is through such programs that the ideological depth of the students increases.
5.	Evidence of Success	 
6.	Problems Encountered and Resources Required	Problems encountered and resources required- While celebrating Gandhi Week, the major problem faced by the college is the apathy of the students towards the great thinkers and freedom fighters. Students these days attend entertainment programs only. It has always been a challenge to spontaneously invite students to programs that are enlightening and thought-provoking. Resources required- The college needs more books and articles on great thinkers and freedom fighters of our nation. We have many books on in our college library, but many of them are ragged to bad condition. So, the college needs to revise the list of books and needs to buy few more books.

Best Practice No. II

Sr. No.	Title	Description
1.	Title of the Practice	Organization of मतदार जनजागृती अभियान (Voter Awareness Campaign)
2.	Objectives of the Practice	1) To create awareness about the election and voting. 2) To educate students about our rights and duties provided by our constitution. 3) To educate people about our fundamental duties. 4) To promote growth in voting during election.
3.	The Context	Indian Constitution has given you some fundamental rights as well as some fundamental duties. We all are always aware of our rights, but we always forget about our fundamental duties. Voting is not only our right but also our primary duty. If you look at the voting percentage during elections, you can see that a lot of people in India do not go to give their votes. Following this question, the college had undertaken a Voter Awareness Campaign.
4.	The Practice	In the academic year 2021-22, the college had undertaken a "Voter Awareness Campaign." Under this campaign, various programs were organized in the college campus as well as in the village. In this campaign, the lecture of Tehsildar Aparna More-Dhumal was organized in college. She guided the college students on "Voter Awareness". Under this campaign, poster presentation competition was organized in colleges. After this activity, a bicycle rally of college students was taken out from Kurundwad city. Voter awareness banners were given in the hands of the students. Also, during the rally, the students gave many announcements/slogans about voting awareness. After that, recognizing that voting is the need of the hour, a rangoli competition was organized in the college. The college believes that this will surely create awareness among the students about voting and how important voting and elections are. Through such activities the college always makes sincere efforts to create awareness among the students as well as the society about their rights and duties.

6.	Problems Encountered and Resources Required	Problems encountered and resources required- While carrying out the Voter Awareness Campaign, minor difficulties were encountered. Changing one's mind and thinking is not easy these days. So, to create awareness about a particular thing in the society, we have to take continuous and planned efforts. The college students took out a rally from the village and made a sincere attempt to create awareness among the society, but it got a mixed response from the people of the city. Participation of students in competitions organized in the college was also a matter of concern. Resources required- Nil
